Army Corps to make improvements to Whitney Lake's Kimball Bend Park

The U.S. Army Corps of Engineers announced plans to upgrade and provide additional facilities in Kimball Bend Park at Whitney Lake. A team of specialists in recreation, natural resources and construction has been formed to develop plans for improving this park.

At this time, the Corps is requesting written comments from the public concerning the recreational needs, uses or facilities in Kimball Bend Park. Comments will be accepted until August 15, 2000 at Whitney Lake, P.O. Box 5038, Laguna Park, Texas 76644 or fax to (254) 622-3243.

The proposed park plan will be available for review at the Whitney Lake Office at a later date.
